

A photograph of a cave interior. A large waterfall flows from the top right towards the center. The cave walls are rugged and textured. The scene is illuminated with dramatic, colorful lighting: a bright white beam of light from the waterfall, a green glow on the left, and a red glow at the bottom. The floor is dark and rocky.

Background + Concept

Endzeit is a Bay-Area 501(c)(3) nonprofit that stages unconventional experiences combining music and art while cultivating inclusive, intentional communities. For the closing weekend of San Francisco Art Week, Endzeit hosted a three-day program merging live electronic music with physical artworks. Titled **California: a shifting identity**, the project examined shifting sociocultural landscapes through different artistic lenses.

The Artworks

All artworks in this catalogue are for sale unless marked “sold”. 100% of the proceeds from each sale will go directly to the artist; unlike traditional art galleries, Endzeit will not charge any commissions or fees.
